

Birth Center Delivery

Concierge level care throughout your entire pregnancy

BIRTH CENTER BENEFITS:

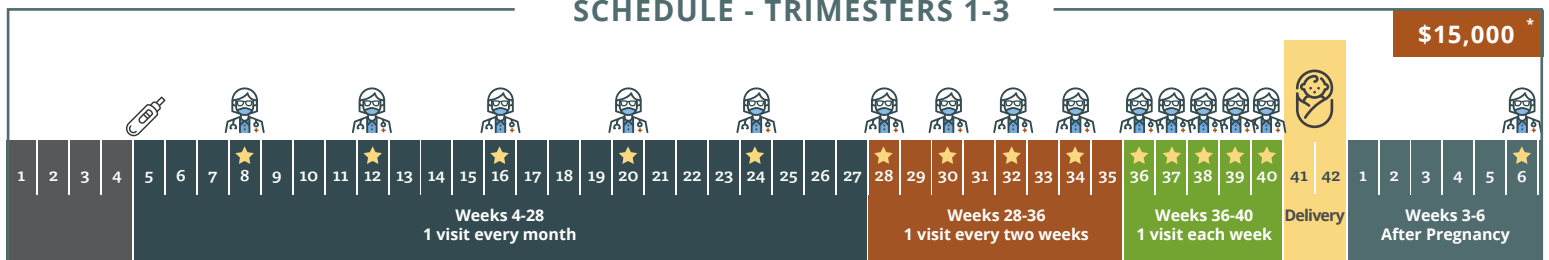

- ✓ Relaxed, home-like birthing environment
- ✓ Birth centers have a very family-centered philosophy
- ✓ Birth centers are very natural-birth friendly and less likely to intervene medically with your labor
- ✓ Women who give birth in a birth center have a significantly lower rate of assisted delivery and cesarean delivery than women who give birth in a hospital

OAKLEAF BIRTH CENTER ADVANTAGES:

Attending to your needs outside of your visit with your provider and in the comfort of your home, through your personal online, mobile-friendly, patient portal that will:

- ✓ Track your pregnancy milestones
- ✓ Provide you with education materials
- ✓ Opportunities to manage pregnancy experiences and symptoms without making a trip to the center
- ✓ A care coordinator assigned to you for support and guidance throughout your pregnancy
- ✓ Important reminders, check-ins and online chat messaging with your care coordinator
- ✓ Quick, easy access to your provider and their team

SCHEDULE - TRIMESTERS 1-3

What if I'm already pregnant?

Entry into the program allowed up to 16 weeks into pregnancy.

* Fees finalized via contract
